Tunniplaani/eksamiplaani sisu vaatamine

Tunniplaani/eksamiplaani sisu vaatamiseks tuleb valida ÕISI menüüst **Tunniplaan**, otsida välja sobiv tunniplaan/eksamiplaan ning klõpsata selle reale (vt joonis).

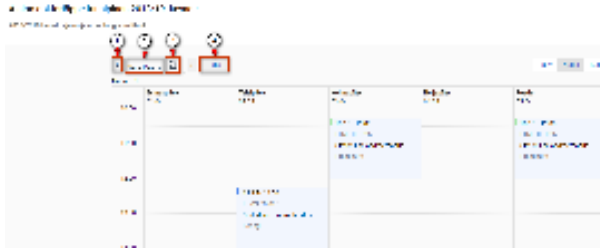

Avaneb kalendervaade tunniplaaniga/eksamiplaaniga seotud tundide toimumistest. Vaikimisi näidatakse tunniplaanis käesoleva semestri ja käesoleva **õppenädala** tunniplaani/eksamiplaani. Soovi korral saate selle avada ka **päeva** või **kuu** vaates, kasutades paremal ülal servas vastavaid nuppe (vt joonis).

Perioodi muutmiseks saate kasutada vasakul ülal servas asuvat **kalendri menüüd**, kus olenevalt avatud vaatest, saate päevade, nädalate või kuude vahel navigeerimiseks kasutada **noole nuppe** (joonisel p 1), **kalendrit** (vajutades vastavale ikoonile joonisel p 2) või **kuupäeva sisestamist** (kirjutades kuupäeva väljale soovitud kuupäeva, joonisel p 3). Algeisus saate taastada, kui vajutate nupule **Täna** (joonisel p 4).

Tunni kohta näidatakse kalendris järgnevat infot: **toimumise kellaeg**, **ainekood**, **aine nimetus** ja **tunni liik** (lo eng, eksam/arvestus vms). Tunni liiki aitab eristada ka tunni juures olev silt, mis on sama liigiga tundidel ühte värvi (vt joonis).

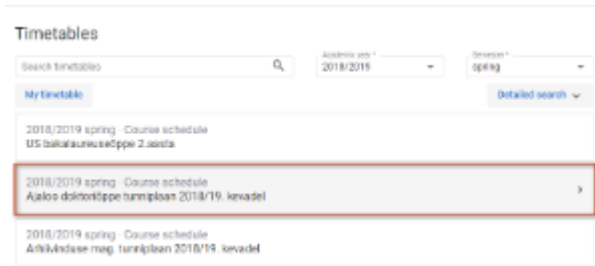

Tunnile vajutades avaneb täiendav info, kus on lisaks **toimumise ajale** ja **aine nimetusele** kuvatud ka **toimumise koht**, tunniga seotud **õppejõud**, tunniga seotud **märkused** ja **rühma tähis** (vt joonis).

Viewing of timetable/exam schedule content

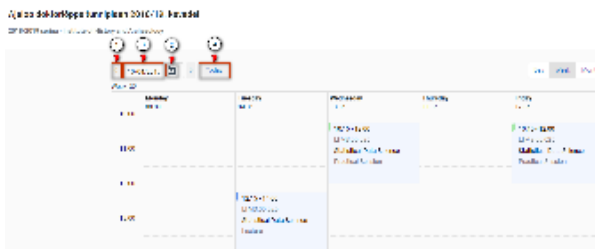

For viewing **timetable/exam schedule content**, find the necessary timetable/exam schedule in the SIS **Timetables** menu and click on its line (see Figure).

The calendar view of classes related to the timetable/exam schedule opens. By default, the timetable/exam schedule of the current semester and of the current **study week** is displayed. You can also open the **day** or the **month** view using the buttons at top right (see Figure).

To change the period, you can use the **calendar menu** at the top left where, depending on the open view, you can use **arrows** for navigating between days, weeks or months (Figure, p 1), the **calendar** (by clicking the corresponding icon, Figure, p 2) or **entry of date** (by typing the necessary date on the date field, Figure p 3). You can restore the initial situation by clicking the button **Today** (Figure p 4).

The following information is displayed about the classes: **time**, **course code**, **course title** and **type of the class** (lecture, exam/pass-fail evaluation, etc). Types of classes are also distinguished by labels which are of the same colour for the same type of classes (see Figure).

The screenshot shows a table with columns: Module, Dates, Places, Faculty, and Price. A tooltip is displayed over the 'Places' column for the first row, showing details for 'ECONOMICS POLY APP'.
