Aines on saadud positiivne tulemus

i Kui aine on sooritatud positiivsele tulemusele, siis samal õppekohal sellele ainele uuesti registreeruda ei saa. Positiivse sooritusena läheb arvesse ka see, kui see aine on asendatud **VÕTA**g a.

Ainetele registreerumisel ei ole sellise aine ees aktiivset märkeruutu ja aine juures on tekst: **Positiivne tulemus olemas** (vt joonis).

The screenshot shows a table of courses. The first row is highlighted and has a red arrow pointing to the 'Info' column. The text above the table reads: 'Teil on selles aines juba positiivne tulemus. Registreerumine ei ole võimalik.' The table has columns: 'Info', 'Maht', 'Vastutav(ad) õppejuht', and 'Reg. isikud'. The row for course 'LOFY.02.008' (Sisejuhatus materjaliteadusse) shows 'PÜ, EST', '3 EAP', and '15 / 40'. Below the table are buttons for 'Lisa planeerijasse' and 'Registreeri valitud ainele'.

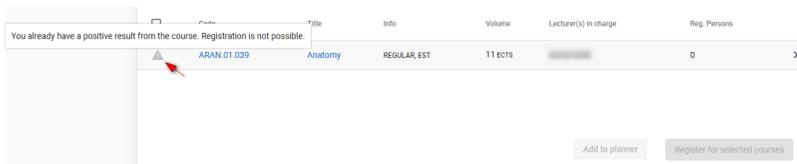

| Info | Maht | Vastutav(ad) õppejuht | Reg. isikud |
|-------------|-------|-----------------------|-------------|
| LOFY.02.008 | 3 EAP | | 15 / 40 |

i Kui aine on eelmisel õppekohal (olete sellelt juba eksmatrikuleeritud) sooritatud positiivsele tulemusele, siis hetkel kehtival õppekohal (v.a. reimmatrikuleeritud) on võimalik sellele ainele uuesti registreeruda.

Positive result received for the course

i If you have received a positive result for the course, you cannot register for the same course again at the same student place. If the course has been accredited by RPL, this is also considered a positive result.

At **registration for courses**, there is no active checkbox in front of the course, and the text is displayed: **You already have a positive result for the course** (see Figure).

The screenshot shows a table of courses. The first row is highlighted and has a red arrow pointing to the 'Info' column. The text above the table reads: 'You already have a positive result from the course. Registration is not possible.' The table has columns: 'Title', 'Info', 'Volume', 'Lecturer(s) in charge', and 'Reg. Persons'. The row for course 'ARAN.01.039' (Anatomy) shows 'REGULAR, EST', '11 ECTS', and '0'. Below the table are buttons for 'Add to planner' and 'Register for selected courses'.

| Title | Info | Volume | Lecturer(s) in charge | Reg. Persons |
|-------------|---------|---------|-----------------------|--------------|
| ARAN.01.039 | Anatomy | 11 ECTS | | 0 |

i If you have received a positive result for the course at your previous student place (you have already been deleted from its matriculation register), you cannot register for the same course again at your current student place (excluding rematriculated students).
